

POSITIVE DISCIPLINE

“Discipline is the bridge between goals and accomplishment” – Jim Rohn

‘Positive Discipline’ is an idea that focuses on reverting things back to the roots – when children do something wrong, instead of punishing them, adults teach and guide them to set the behavior right. Instead of yelling, punishing or issuing time-outs, tapping into positive discipline can have various advantages in the long-term. It is based on the idea that there are no bad children, just good and bad behaviors. Good behavior can be taught and reinforced while weaning the bad behaviors without hurting the child verbally or physically. People engaging in positive discipline are not ignoring problems. Rather, they are actively involved in helping the child learn how to handle situations more appropriately while remaining calm, friendly and respectful to the children themselves.

Positive discipline is at the forefront at Al Muntazir Boys Primary School. We honor and respect each individual child, and try our best to help children understand that they are very capable and are respected. One of the ways in which we encourage this is using the ‘Positive Ticket’ for students with positive progressive behavior. Students are honored and awarded in the assembly for making efforts towards positive behavior.

In addition, students were also rewarded for their efforts in excelling in Quranic studies. Over 200 tickets were presented and students were allowed the opportunity to choose a token to take home as a symbol of their hard work. We aspire to promote similar initiatives in future to empower and recognize our students.

Students receive tokens for their efforts

Hardwork is appreciated

Bravo!
